Nilfisk VP300 Dry Canister Vacuum

Easy to use and durable in design, the VP300 offers:

- Best in class filling capacity, which means less time spent changing dust bags
- Weighs just 11.5 pounds, making it easy to move from place to place
- Low sound level of just 69 dB A makes this vacuum suitable for daytime cleaning
- Secure accessory and power cord storage and rear mounted wand and floor tool storage
- Includes 3 stage filtration with a washable basket filter
- Wand rides neatly on top of vacuum so that it can be comfortably carried with one hand

Nilfisk Commercial Warranty: 1 year parts & labor

Winter Floor Care Maintenance Solutions

Introducing Buckeye Clarion 25 Floor Finish with MicroBan Technology*

Clarion 25 floor finish is the first of its kind to utilize Microban surface modification technology, which embeds an EPA registered antimicrobial into the floor finish. With Microban technology, Clarion 25 provides an additional layer of protection on top of standard cleaning and disinfecting. It reduces the bioburden on floors by preventing bacteria from colonizing and multiplying. Ultimately, with Clarion 25, you can have peace of mind as students, patients, your employees or your customers enter your environment. On top of all this, Clarion 25 is the most economical 25% solids on the market today!

Matting Savings!

Purchase your matting and save hundreds and even thousands of dollars a year compared to mat rental programs.

At Regent Supply we offer a wide variety of matting for any use and in any size you need. Matting is your first line of defense in any commercial building and can save you thousands of dollars in cleaning expenses and floor maintenance by simply trapping and containing the dirt and soil before it is tracked into your building.

Diamond Grid Entrance Matting

A high performance scraper and wiper entrance mat. The rubber reinforced face provides crush proof scraper action, while the raised rubber "water dam" borders trap dirt and water keeping them off carpet and floors. Premium rubber backing provides long lasting durability and ensures mat will not move or twist. The #1 choice for high traffic areas.
