Prebook Victory Electrostatic Disinfectant Backpack Sprayers & Save!

With new requirements to sanitize and disinfect areas much more frequently, getting proper disinfection rates while saving time is extremely important. Victory Cordless Electrostatic Backpack Sprayers are designed to save time and labor, use less disinfectant, and cover more surfaces. Victory's patented technology provides an electrical charge to solutions, allowing them to wrap conductive surfaces; shadowed, vertical and underneath with an effective and even coverage. This cuts disinfection time down significantly allowing you to get back to work, providing both your customers & employees a safe environment! Product will be available the 3rd quarter of 2020.
