Tork PeakServe Paper Towel System: A revolutionary new paper towel solution from Tork!!!

THE #1 ISSUE BOTHERING YOUR GUESTS AND EMPLOYEES AT YOUR BUSINESS? WASHROOMS!

When asking over 3000 people across 6 countries, Tork found that customers simply do not want to be delayed in the washroom, let alone a dirty one. Yet over 70% of guests have a bad experience, impacting your business more than you think! 2 in 5 of those people complained about it to friends, a quarter of guests avoid the washroom altogether, with many limiting what they eat and drink to do so.

So no matter what type of business you operate a clean and efficient washroom is important!

Tork PeakServe has the solution:

- **The system is continuous:** Bundles latch onto each other when loaded and towels are connected so they dispense with no interruption.
- **No more tabbing:** The towels feed seamlessly thanks to Tork's patented continuous flow system
- **Faster refills and no waste:** Towels can be loaded at any time and product is used 100% with no stub rolls to throw out
- **Dispensers hold up to 2100 towels:** Thanks to Tork's compression technology.

The result is a new standard of smooth, continuous towel flow and a dispenser that stays slim yet has 35% more capacity than most other products on the market all while not wasting a single towel!

Call Regent Supply to set an appointment with your local sales associate or come in to see this exciting new innovation in action!

Contract pricing and a free dispenser program available on medium to large installs! Call now!

Green Drain

Tired of stinky floor drains in your washroom and public areas...Green Drain is the permanent solution!

Green Drain is truly an install and ignore solution for floor drain problems. The Green Drain saves a significant amount of time, water, costs and energy.

Available in 4 different sizes for 2", 3", 3.5" and 4" floor drains

Floor Drain Problems:

- Sewer odors coming up from dried traps
- Floor drain creating odor issues
- Expensive procedures to replace trap primers
- Flies, maggots and roaches coming through the floor drain
- Fly breeding issues in floor drains
- Current solutions are chemical-based, ineffective, and hazardous to the environment
- Added maintenance procedures to prevent these issues

The Solution:

- Green Drain is a one-way valve that creates a seal to eliminate floor drain odor issues
- No more gases from floor drains
- Prevents and blocks bugs from crawling up through floor drains
- Solution to drain flies entering the facility
- Sanitary, eco-friendly and chemical free solution ("Green Product")
- Simple installation & improved drainage quality

SmartValve™ Combo Pack

THE BEST WATER FREE URINALS ARE THE URINALS YOU ALREADY HAVE!

Betco's SmartVALVE Combo Pack allows building owners and managers to have all the cost savings and environmental benefits of water free urinals, but without the significant up-front cost of tearing-out the existing urinals.

System includes:

- 1 Locking Flush Valve that provides controlled flushing and is made out of long lasting, durable stainless steel construction
- 3 Smart Screens in either Ocean Breeze or Citrus Bouquet Scents these screens have Bio-Active Enzymes that clean and fight odor causing bacteria; a Non-Para Block which meets VOC requirements
- SmartScreen provides 2400 uses before replacement and cost a fraction of what a typical waterless urinal enzyme block costs.
