Facilities Maintenance

Green Drain

Tired of stinky floor drains in your washroom and public areas...Green Drain is the permanent solution!

Green Drain is truly an install and ignore solution for floor drain problems. The Green Drain saves a significant amount of time, costs, water and energy. Available in 4 different sizes for 2", 3", 3.5" and 4" floor drains

Floor Drain Problems:

- Sewer odors coming up from dried traps
- Floor drain creating odor issues
- Expensive procedures to replace trap primers
- Flies, maggots and roaches coming through the floor drain
- Fly breeding issues in floor drains
- Current solutions are chemical-based, ineffective, and hazardous to the environment
- Added maintenance procedures to prevent these issues

The Solution:

- Green Drain is a one-way valve that creates a seal to eliminate floor drain odor issues
- No more gases from floor drains
- Prevents and blocks bugs from crawling up through floor drains
- Solution to drain flies entering the facility
- Sanitary, eco-friendly and chemical free solution ("Green Product")
- Simple installation & improved drainage quality
