

# Deb® InstantFOAM™

Revolutionary alcohol based skin sanitizer delivered as a foam

**Usage:** Ideal for use outside the washroom to provide hand hygiene at the work-point or on the move.

**Method of Use:** Apply direct to clean hands and rub across all areas of the hands for 20-30 seconds, until dry.

Kills 99.999% of many common germs

## Features & Benefits

**Instant Action** - Spreads rapidly to cover hands quickly, killing 99.999% of many common germs in just 15 seconds.

**Pleasant to Use** - Built in skin conditioners leave hands feeling soft and smooth. Rich foam is extremely pleasant for frequent use in between hand washing, encouraging maximum compliance.

**Unique Instant Foam Format** - Quickly and easily rubs across the hands with no drips or splashes.

**Perfume and Dye Free** - Minimizes the potential for allergic reaction and is suitable for use in any environment, including where food is being prepared.

**No Mess** - Unlike alcohol gels, Deb InstantFOAM® contains no gelling agents which leave sticky residues on hands after multiple use.

THIS PRODUCT MAY BE USED IN FOOD PROCESSING ESTABLISHMENTS.

APPROVALS:  
Health Canada  
N.P.N. 80002518

Canadian Patent No. 2,595,025  
Worldwide Patents Pending

**Convenient** - Available in a range of sizes for use in different working environments. No water required, so can be used anywhere.

**Dermatologically Tested** - 48hr single patch test, with results validated by a dermatologist, shows the product to be 'non-irritant'. Meets the requirements of EC Cosmetic Directive 76/768/EC.

**Highly Effective and Tested Formula** - Conforms to EN1500 in 15 seconds, EN1276, EN1275, ASTM E2315-3, ASTM E1838-02, ASTM E1052.

**Glove Compatible** - Can be applied to hands prior to wearing gloves, or applied direct to gloves (latex and nitrile gloves).

**Hypoallergenic Formula** - Ideal for frequent use and use on sensitive skin.

**EcoLogo® Certified by the Government of Canada**  
This internationally respected certification provides customers with an independent assessment of the products environmental credentials.
